

Technical Information

Delkor N120 is a genuine commercial grade battery, built to last in the most demanding heavy vehicle applications. Delkor's reputation for building superior truck batteries is further enhanced by the proven results this size is known to deliver.

Features and Benefits

- Heavier commercial grade plates
- High reserve-capacity for accessories
- Lead-calcium with high tin content
- Sealed maintenance-free
- Patented liquid-gas separator
- No spillage, no corrosion
- Delkor quality - built to last

Applications

Commercial - Truck
Earthmoving
Mining & Construction
Buses
Tractors
Agriculture
Marine

Technical Specifications

Battery Type:	Sealed Calcium	Container Material / Colour:	Polypropylene / Black
Voltage:	12 V	Lid Type:	Heat Sealed Polypropylene
Capacity (@20hr rate):	120 Ah	Plate Type:	Wrought Lead Calcium-Tin
Cold Cranking Amps -18°C, SAE:	800	Separator Type:	Low Resistance Envelope
Cold Cranking Amps - 0°C SAE:		Anti-Vibration:	Yes
Reserve Capacity:	230 Min	Assembly Layout:	4 (RHP)
Overall Dimensions (mm):	L 505 x W 182 x TH 234	Terminal Type:	SAE
Wet Battery Weight:	34.5 Kg	BCI Group: (JIS)	115F51L
